

FEDERAL SUBSISTENCE REGIONAL ADVISORY COUNCIL

2001 MEMBERSHIP APPLICATION

The Federal Subsistence Board is accepting applications and nominations through February 23, 2001, for membership on ten Federal Subsistence Regional Advisory Councils. The Regional Councils provide advice and recommendations to the Board, concerning subsistence hunting, trapping and fishing issues on federal public lands. Thirty-four appointments will be made in 2001 to fill expiring terms and seats vacated by resignation on the Regional Councils.

"The Regional Councils are the crucial link between subsistence users and the Federal Subsistence Board as their recommendations carry a great deal of weight in decisions regarding subsistence," says Mitch Demientieff, Chair of the Board.

Criteria for Membership

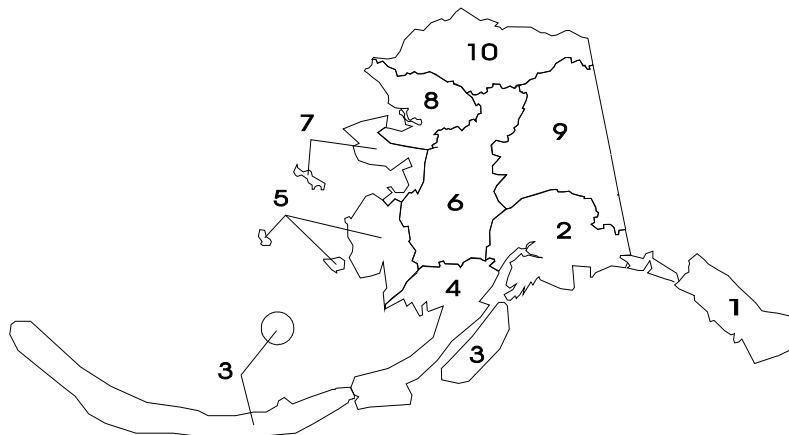

A Regional Council member must be:

- a resident of the region he/she wishes to represent
- knowledgeable of local and regional subsistence uses of fish and wildlife resources;
- willing to travel to and attend Regional Council meetings at least two times each year (usually in October and February);
- willing to attend Federal Subsistence Board meetings on occasion.

Federal Subsistence Regions

Regional Advisory Councils represent the following geographic regions in Alaska:

Region 1	Southeast	Region 6	Western Interior
Region 2	Southcentral	Region 7	Seward Peninsula
Region 3	Kodiak/Aleutians	Region 8	Northwest Arctic
Region 4	Bristol Bay	Region 9	Eastern Interior
Region 5	Yukon-Kuskokwim Delta	Region 10	North Slope

Regional Council Membership

Regional Council and Alternate members are appointed to three-year terms. The Regional Councils meet at least twice each year with members and alternates being reimbursed for business-related expenses. Responsibilities of the Regional Councils include:

Review and make recommendations to the Federal Subsistence Board on proposals for regulations, policies, management plans and other subsistence related issues on federal public lands within the region;

Develop proposals pertaining to the subsistence harvest of fish and wildlife, and review proposals submitted by others;

Encourage and promote local participation in the decision making process affecting subsistence harvests on federal public lands;

Make recommendations on customary and traditional use determinations of subsistence resources;

Make recommendations on rural status determinations;

Appoint members to national park subsistence resource commissions;
